

Yegor H. Kryvenka

West Lafayette, IN • (240) 534-8771 • Yegor.Kryvenka@proton.me

SUMMARY

Security+ certified Purdue cybersecurity student with an A.A.S. in Cybersecurity (3.88 GPA), current professional security experience, and 99th-percentile National Cyber League performance. Combines hands-on endpoint security and threat investigation experience with nationally competitive cybersecurity and technical leadership.

EDUCATION & CERTIFICATIONS

Cybersecurity , Purdue University, West Lafayette, IN <i>Bachelor of Science</i>	Aug 2026 - Present
Cybersecurity , Montgomery College, Germantown, MD <i>Associates of Applied Sciences, 3.88 GPA with Honors and Excellence in Cybersecurity Award</i>	2024 – 2026
CompTIA Security+ CE	Apr 2025

EXPERIENCE

Technical Support Specialist , Kbit Technologies, LLC, Rockville, MD	Apr 2026 - Present
- Configured Microsoft Defender for Endpoint and DefenseX endpoint protection across 100+ systems; isolated and remediated dormant malware leveraging advanced anti-detection/anti-forensic techniques, fine-tuned policies, and expanded threat-hunting capabilities. - Analyzed security logs and investigated rogue logins/unauthorized devices across 200+ endpoints using Microsoft Intune to maintain continuous asset visibility. - Led the enterprise-wide credential migration to NordPass for 60+ users via security presentations, while ensuring strict GLBA compliance standards for high-profile legal and financial clients.	

CYBERSECURITY COMPETITIONS & TECHNICAL LEADERSHIP

- 99th Percentile** – National Cyber League, Spring 2026 Team Game
- 1st Place** – 2026 PICMC Cyber Challenge, MAGIC CTF 18
- 2nd Place** – 2025 Lockheed Martin Cyberquest Competition
- 3rd Place** – VelocityX Cyber Escape Room Challenge
- Purdue National Security & Defense Society** – Cybersecurity Competition “A” Team Member
- President, Montgomery College Cybersecurity Club** – Tripled attendance to ~50, led 15+ technical labs & CTF preparation sessions, and coached members.

TECHNICAL SKILLS

- Cybersecurity & Compliance:** Incident Response, Threat Hunting, Log Analysis, Digital Forensics, EDR, Vulnerability Assessment, Identity & Access Management, GLBA / FTC Safeguards
- Security & SIEM Tools:** Defender for Endpoint, DefenseX, Splunk, Tenable Nessus, Elastic, Wireshark, Nmap, FTK Imager, Autopsy, IronScales, NordPass
- Platforms & Infrastructure:** Active Directory / Intune, Azure Virtual Desktop, Windows Server, Linux (Ubuntu/Kali), VMware, VirtualBox, AWS, Firewall & Router Configuration
- Programming & Automation:** Python, Bash, Java, PowerShell
- Office Software:** Microsoft Office/365, GSuite/Google Workspace, Adobe CC

ADDITIONAL ACHIEVEMENT

Dale Carnegie Young Adult Leadership Program – Highest Award for Achievement
Languages: English (Native), Russian (Fluent)
